

Adsense flow

Advertisers fill out and apply for the following information in order to place ads

- Select Ad Type

- Banner(1k=\$1)
- Image(1k=\$1.3) *Resolution setting is optional
- Video(1k=\$1.5)

Enter the number of times the ad is displayed

Total LUNC

~ = \$

$n/1000 * \text{Ad type} = \x

$\$x / \text{Lunc}(\text{mp}) = \text{Total amount}$

Ex)

Type(Video) 1000times

$1000/1000 * 1.5 = \$1.5$

$1.5/0.00012 = 12,500 \text{ LUNC}$

Total 12,500 LUNC

~ = 1.5\$

- User Authentication (White list)

If you want to plug in URL, please authenticate first.

User Authentication is determined by community votes.

Please enter URL of your website (If none, leave blank)

Please enter your SNS ID (If none, leave blank)

Note.

If any intentionally malicious or fraudulent activity is discovered via posted advertisements or by any other factor, the display of the advertisement will be immediately cancelled even if the contracted number of displays has not been met, and the community agrees to file a claim for damages in the event of any loss to the user.

- Application for URL Insertion

Please enter the URL in the box

URLs will be reviewed through a third-party organization to prevent spam.
